

Storytree Farm CSA 2017

Welcome to our 13th CSA year! To join, please print this form, fill out, and return by mail with payment.

Shares are sold on a first-come, first-served basis, until capacity is reached.

What's in a share?

We schedule our planting so that we may harvest about 8 to 10 varieties per week. Early harvests begin with lots of greens. Shares increase in diversity, volume, and weight throughout the season.

We plant a diverse selection of vegetables. In the event that one crop doesn't perform as expected, there are many others from which to harvest.

2017 pick-up hours will be Wednesdays from 4 – 6 p.m.
