

Storytree Farm CSA 2019

Welcome to our 14th CSA year! To join us for the season, please print this form, fill out, and return by mail with payment.

Shares are sold on a first-come, first-served basis, until capacity is reached.

What's in a share?

We schedule our planting so that we may harvest about 8 to 10 varieties per week. Early harvests begin with lots of greens. Shares increase in diversity, volume, and weight throughout the season.

We plant a diverse selection of vegetables. In the event that one crop doesn't perform as expected, there are many others from which to harvest.

2019 pick-up hours will be Wednesdays from 4 - 6 p.m.
